Miss Tori & Miss Michelle's 3-6 class

Welcome to 2012! A new year has begun and we are excited to introduce new work as well as focus on some of our old favorites. With a brand new year comes wonderful new adventures here in the classroom.

A small number of food preparation works have been added including coffee grinding, whole clove grinding and cinnamon grating.

I know the children are going to love experimenting with the new additions!

I want to thank all of our WONDERFUL families for their generous gifts and cards and kind words throughout the Holiday season!

Your thoughtfulness is so appreciated!!!

I am looking forward to a terrific new year and am excited to watch the children grow each and every day! They have blossomed and expanded so much. It is a joy to see them learning and thriving!

Busy at morning work time!

"Tree of Wishes"

We truly appreciate the donations and cannot thank you enough for your kindness. Your gifts will be very helpful and most useful in all our classrooms. A special thank you to the MVM PTO for organizing and sponsoring this activity!
